

## M23 Male 12Pin Connector

Connector Series: M23  
 Gender: Male  
 Coding: /  
 Assembly Style: Solder  
 Part Number: M23AM0002

### General Information:

Standard: IEC 61076-2-101 Ed 3.0  
 Connector body: PA66+GF or TPU  
 Connector Contacts: Brass with gold plated  
 Coupling Screw: Brass with nickel plated  
 Connector overmold: TPU or PVC  
 Operating temperature: -40°C ~ +125°C  
 Insulation Resistance:  $\geq 100\text{M}\Omega$   
 Waterproof Rating: IP67/IP68

### Electrical Character:

Contacts	Rated voltage		Rated current	Contact Resistance	Cable format	Cable jacket
	A/C	D/C				
 12 Pins	200V	200V	7A	<3mΩ	18AWG	PUR or PVC

### Remarks:
